TO MY PATRONS:

I take this occasion to thank my patrons for their patronage and generous support extended to me during the past twelve years, which has enabled me to extend my business from year to year. I will in the future, as in the past, strive to be worthy of the confidence reposed in me. Your liberal patronage has enabled me to open this MAMMOTH DOUBLE ESTABLISHMENT. I shall pursue the same course in opening the New Departments as I did in my former lines—that is to say, if *Honest Dealings, Polite Treatment, Extensive Stock, and Low Prices* will make my new venture a success, I shall not flinch from doing what lays in my power to make it so. I kindly solicit from the public and my patrons a continuation of their generous support, and I will strive to make it interesting and remunerative to those who will support the King and his Palace. I will conclude with the positive assurance that those who patronize King's Palace will have the satisfaction of not only buying the Most Stylish and Latest in all that the Foreign and Domestic Markets afford, but will positively save at least from 10 to 25 per cent. on their purchase. Respectfully yours,
H. KING, JR.

**We Extend to You a Cordial Welcome to Our Grand Opening,
Tuesday and Wednesday, April 1 and 2.**
